A broken wing lands an eccentric Canadian goose with a knack for inventions in a wildlife rehabilitation centre, where he must find a way for his flock to fly south before the start of hunting season.

Santa inc.

TOP 10

Ucla

Santa's top elf must convince the public that everyone deserves a share in Christmas when Santa goes bankrupt after years of giving and has been taken over by corporate interests.

A yuppie couple, tired of the rat race, decide that with the proper disguise and the right attitude they can fit into a seniors only retirement community in Florida.

INTERNATIONAL RELATIONS

After terrorism has been eliminated from the US, terrorists move to Canada where a hardcore American spy must team up with a slacker Canadian spy in order to save the US from a nuclear terrorist threat, while keeping expenses to a minimum.

A judgmental project manager has to save a botched family reunion in order to convince his girlfriend the reason she hasn't met his relatives is because he is embarrassed of his family and not her.
